Rochester Citizens Coalition (#40979)

ran radio ads and at least one newspaper ad for Kim Norton (#16003) as independent expenditures. Independence is challenged as Norton's campaign Chair, Robert Cline is also the Coalition's treasurer. According to 10A.17 an expenditure over \$20 must be approved by the treasurer. Therefore, the Norton campaign knew of the advertising.

Minn. Stat. 10A.02, subd 11 - Violations; enforcement.

The board shall investigate any alleged violation filed in writing with the board. For an alleged violation of sections 10A.25 (expenditure limits) or 10A.27 (additional limits) the board shall either enter into a conciliation agreement or make a public finding of whether or not there is probable cause, within 60 days of the filing of the complaint. For alleged violations of all other sections, the board shall within 30 days after the filing of the complaint make a public finding of whether or not there is probable cause to believe a violation has occurred.

The deadline for action may be extended by a majority vote of the board. Within a reasonable time after beginning an investigation of an individual or association, the board shall notify that individual or association of the fact of the investigation. The board shall make no finding without notifying the individual or association of the nature of the allegations and affording an opportunity to answer those allegations.

Any hearing or action of the board concerning a complaint or investigation shall be confidential until the board makes a public finding concerning probable cause or enters into a conciliation agreement.

Except as provided in section 10A.28, after the board makes a public finding of probable cause the board shall report that finding to the appropriate law enforcement authorities.
