STATE OF MINNESOTA  
CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD

COMPLAINT FOR VIOLATION OF THE CAMPAIGN FINANCE  
AND PUBLIC DISCLOSURE ACT

Introduction

This complaint alleges a violation of Minnesota Statutes §10A.01 subdivision 18 by the Minnesota DFL Party, DFL Senate Caucus, DFL endorsed Minnesota Senate District 5 candidate Tom Saxhaug, and the Saxhaug for State Senate committee and/or its agents (collectively referred to as Respondents). On or about October 5, 2012, the Minnesota DFL Party disseminated campaign materials in support of the Tom Saxhaug campaign. The purported independent expenditure was made with the express or implied consent, authorization, or cooperation of, or in concert with or at the request or suggestion of the DFL endorsed Senate District 5 candidate Tom Saxhaug, his principal campaign committee Saxhaug for State Senate, and/or its agents (collectively referred to as Saxhaug). Respondents have violated Chapter 10A, the Campaign Finance and Public Disclosure Act by disseminating campaign materials as independent expenditures that were, in fact, not independent of Saxhaug.

Facts

Tom Saxhaug is the DFL endorsed candidate for the Minnesota Senate in Senate District 5. On or about October 5, 2012, the Minnesota DFL Party disseminated literature by U.S. Mail to influence voters to support the Tom Saxhaug campaign for Minnesota Senate District 5. See, Exhibit A. Several photographs of Tom Saxhaug appear on the literature. See, Id. The disclaimer identifies the literature as an independent expenditure prepared and paid for by the Minnesota DFL Party. See, Id.

Argument

An independent expenditure requires that the expenditure be made “without the express or implied consent, authorization, or cooperation of, and not in concert with or at the request or suggestion of, any candidate or any candidate's principal campaign committee or agent.” Minnesota Statutes, §10A.01, subd. 18. The Board has emphasized that there must be a high wall of separation between the party unit and its candidates if the party unit's expenditures are to qualify as independent expenditures. See, Findings and Order in the Matter of the Complaint of Bob Murray regarding House District 54A Republican Party of Minnesota and Citizens for (Mark) Fotsch.

It is apparent that all of the photographs in which Tom Saxhaug is a subject in the literature were taken with the active participation of Mr. Saxhaug. See, Exhibit A. Searches for photographs of Tom Saxhaug, who does not have a campaign website, on facebook, flickr, and google images, reveal that photographs used in the purported independent expenditure are not publicly available. See, Exhibit B, C, D, and E. The Minnesota DFL Party's use of photographs that are unavailable to the general public is strong evidence that the expenditures were made with the express or

implied consent, authorization, or cooperation of, or in concert with or at the request or suggestion of Saxhaug. The Minnesota DFL Party did not maintain the necessary high wall of separation from Saxhaug. As a result, the expenditures do not qualify as an independent expenditure and should be found to be in violation of Minnesota Statutes, §10A.01.

The criteria for independence cannot be maintained even if the photographs are remotely available. The Board has found that it does not require active approval of the expenditure by a candidate or agent to defeat the independence requirement. See, Findings and Order in the matter of the complaint of Arvid Dixen regarding Philip Krinkie. Even implied consent, resulting from action or inaction, can change the character of the expenditure to an approved expenditure. See, Id. In the case of the photographs of Tom Saxhaug, if the photographs are publicly available they are in an obscure location, and it would require the Minnesota DFL Party or the DFL Senate Caucus to get implied consent, authorization, or cooperation of, or action in concert with or at the request or suggestion of Saxhaug to locate them. Therefore, even if the photographs are available in some form, approval or acquiescence defeating independence would still be required from Saxhaug for the photographs to be featured on expenditures paid for by the Minnesota DFL Party.

Further evidence that the expenditures were made with the express or implied consent, authorization, or cooperation of, action in concert with or at the request or suggestion of Saxhaug is evidenced by the staged photographs. The DFL Senate Caucus reported spending \$547.99 on camera equipment in the month of June. See, Exhibit F. Two photographs contain individuals identified as Julie Bayerl and Mitch Berggren, both employees of the DFL State Central Committee. See exhibit A and G. The facts suggest that a DFL Senate Caucus or DFL Party representative met with Saxhaug to coordinate efforts on supposed independent expenditures. The necessary high wall of separation simply cannot be maintained when representatives of the DFL Senate Caucus and the DFL State Central Committee are literally in the room with Saxhaug as the purported independent expenditures are being produced.

#### Conclusion

Photographs of Minnesota Senate District 5 candidate Tom Saxhaug are on campaign material identified as independent expenditures approved and paid for by the Minnesota DFL Party. The facts demonstrate a coordination of effort between Saxhaug, the DFL Senate Caucus and the Minnesota DFL Party. As a result, the expenditures do not qualify as an independent expenditure and should be found to be in violation of Minnesota Statutes, §10A.01. It is requested that the Board provide appropriate relief and penalties as prescribed by law.

~~A business leader who does more than just talk about building good-paying jobs.~~

Tom Saxhaug is a retired insurance agent who served as President of the Grand Rapids Chamber of Commerce. He was elected to the Minnesota Senate in 2009.

As Senator, Tom works with business and labor to build good-paying jobs. This year, he authored the 2012 Environmental Permitting Bill, signed into law by Governor Dayton. It streamlines the environmental review process, helping Minnesota's timber and mining industries develop and grow jobs.

## A recognized leader who stands up for Northern Minnesota.

Last year, Sen. John Carlson voted for cuts to towns that hit Greater Minnesota twice as hard as the metro area. - resulting in steep property tax increases for homes, recreational property and businesses in Northern Minnesota. (SP 001; HF 20, 2011 Special Session)

Tom Saxhaug voted against that bill and will continue his fight to ensure that taxes and expenditures are fair and balanced in all areas of the state.

## Getting the job done right - the first time.

Partisan "my-way-or-the-highway" tactics might please party hardliners, but they just don't get the job done. Last year's shut down and special session are a prime example.

Tom Saxhaug stands apart from the partisan fringe at the Capitol. We need more guys like Tom to end the gridlock in St. Paul and get the job done right.
