October 4, 2016

Dear Friends,

It has been my honor to serve on the city council the last 4 years. I am not running for re-election. As part of my duties, I was appointed to the Parks Commission and we went about improving Sandquist Park and finally, City Park (by the river). I voted to only increase property taxes to reflect inflation. My objective is to build a new library with a local sales tax referendum. A business friend of mine said, "It is a no-brainer to pay for the library that way." The tax is so small that it isn't noticed when we buy things in Anoka County or so many other places that have that tax in Minnesota.

I will vote for these excellent candidates for city council this November and I encourage you to consider them too.

**Kersten Barfnecht-Conley** will be voting yes on the library referendum and has expressed interest in a community center and a recreation facility for families. She is a smart professional woman. She works in project management at United Health Care. She believes we can lower property taxes with prudent decisions that should cause more homes and businesses to be established in Cambridge.

**Jim Godfrey** is also an excellent candidate. He has had years of experience as chair of the Cambridge Planning Commission. He is helping work on our comprehensive plan that outlines a vision for the future of Cambridge. He has volunteered and been the voice of the Snowflake Parade over many years. His positive vision for Cambridge is a benefit. He was active with our efforts to bring the YMCA or a family recreation center to Cambridge and he is voting for the referendum to build our new library.

**Brandon Grell** grew up in Cambridge and recently returned from his employment in the suburban Chicago area. He has shown a willingness to get involved by attending the aquatics committee meetings and city council meetings. He presented a petition with over 650 signatures to the city council asking for a YMCA. He wants what is best for Cambridge for his young family. He is also committed to voting yes on the referendum for a new library. His commitment to a better and more family friendly community is obvious to me.

Simply put, Cambridge needs new leadership. Lisa Iverson and Mike Stylski do not represent the leadership Cambridge needs to move forward. They both refused to support the efforts of the Library Task Force at the recent Candidate Forum. In front of Mike Stylski's home there is a "**Trump**" sign with an "**Iverson**" sign next to it and a "**Stylski**" next to that.

Thank you again for the honor of being your representative. I have planned extensive travel for the next few years with my wife Cathy. We aren't moving and we will continue to support excellent candidates like **Jim**, **Kersten**, and **Brandon**. **Please vote!!**

Sincerely yours,

Howard "Howie" Lewis,
