Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach extra sheet(s) of paper if necessary. Attach any documents, photographs, or other evidence needed to support your allegations. Electronic files may be provided to the Board by email or via a file transfer service.

I submit this complaint form against Angeline Anderson, the GOP endorsed candidate running for the Minnesota House of Representatives in House District 56B. Angeline Anderson has violated the Campaign Finance and Public Disclosure Act numerous times by failing to prominently display the correct disclaimer on most of her campaign materials and platforms. This includes, but is not limited to, her website (<https://angelineforminnesota.com/>), her Facebook account (<https://www.facebook.com/angelineformn>), her X/Twitter account (<https://x.com/angelineformn>), her Instagram account (<https://www.instagram.com/angelineformn/>), her door knocking literature, and lawn signs. Pictures of these materials and accounts are attached for reference. Thank you for your time and consideration regarding this complaint. Please reach out with any questions or if I can provide additional information regarding this matter in the meantime.

Minnesota Statutes section 10A.022 and Minnesota Rules Chapter 4525 describe the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website. Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed. The Board chair or their designee has 10 business days after receiving your complaint to determine whether the complaint alleges a prima facie violation. If the complaint alleges a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board may start an investigation. In some cases the Board will issue findings, conclusions, and an order as its decision. In other cases the Board will instead enter into a conciliation agreement with the respondent. The Board's final decision will be posted on the Board's website.

Praying for our country tonight, President Trump, and everyone in attendance at the rally today. There is no place for political violence in the United States and should be condemned by all. 🙏❤️🇺🇸
